

January 2018

To whom it may concern,

Chicas Latinas de Sacramento would like to formally invite you to participate in and contribute to our annual “Starting Off on the Right Foot” Shoe Drive, benefiting the students at D.W. Babcock Elementary. One hundred percent of all donations will be used to provide every child at our sponsored school with a new pair of shoes for the 2018 school year!

The students who attend our sponsored schools live in underserved Sacramento communities and lack basic back-to-school supplies. An often overlooked and basic necessity -- shoes. Shoes that fit, are free of holes, have intact soles, and are not a *hand-me-down* are a luxury item to many of the children who attend our sponsored schools. It is our goal to see that in 2018 EVERY child at D.W. Babcock Elementary School is able to start the new year on the right foot!

About “Starting Off on the Right Foot”

During the spring and summer months, Chicas Latinas de Sacramento holds a community donation-drive, to collect NEW shoes for the children at our sponsored school; this year, D.W. Babcock Elementary School. New shoe and monetary donations will be accepted at any of our drive events, additionally monetary donations will be accepted online and by mail. Chicas Latinas will host a “Starting Off on the Right Foot” distribution event at our sponsored school in early October, where bilingual volunteer and media opportunities will be available.

2015 – Woodbine Elementary: Distributed 400+ pairs
